I understand that if an enrollment contract is issued, a deposit of $200.00 must be submitted to hold the child's place. This non-refundable deposit is applied toward the fees for the school year. I understand that if the child is accepted and enrolled, the school reserves the right to dismiss any student under the following circumstances: if, in the school's judgement, the family and school are not able to work together in the best interest of the child; if the family fails to maintain the financial commitment; or if the student does not abide by the school's behavioral expectations. Bethany School admits students without regard to race, creed, color, or national origin.
