

SET DESIGN

Are you looking for another outlet for your creativity? Set Design might be just right for you!

We are giving interested 5-8th graders an opportunity to become involved with the upcoming production of Cinderella. We need students that are interested in building, painting, and designing sets and props that will be used for the play. There will be limited spaces available so please turn this form into the office before Wednesday, September 6th. There will be a \$20 fee for participating.

Thank You,
Mrs. Ball
ball@Bethanyschool.org

My child, _____, has permission to participate in the Set Design enrichment course. I understand that my child will need to stay after school every Wednesday from 3:00-4:30. The dates will be from September 13th, 2017 - November 15th, 2017.
