

# Design LAB 2018: FOOD FOR THOUGHT

Design LAB is an exciting hands-on educational program that is focused on building awareness, knowledge and community!

This year's theme is **FOOD FOR THOUGHT.**

We will be challenging students to push the limits of where and how we make, buy, and eat food. Restaurants and other places we eat food have been pushing the limits of what they serve and how they serve it since their inception. Join us as we investigate the power innovation has to change the way we produce & consume our food!

Please turn in all paperwork by January 11th in order to be considered for groups.

**Design Lab will run for 15 weeks. 13 meetings total.**

Our first meeting will be Thursday, January 18th.

Meetings will be held Thursdays from 3:00-4:30.

(There will be no meetings on March 15th and April 5th)

Our last meeting will be Thursday, April 26th.

**DESIGN LAB IS OPEN TO 1st-6th GRADE STUDENTS**

7th and 8th grade students are offered Design Lab as a Quest option.

We will notify students of their acceptance into the program prior to the first meeting.

Students are asked to bring a snack for themselves each week.

Please e-mail **Dana Ball** with any questions.
