

# Share The Love Pet Supply Drive

**From February 5 to February 19, Bethany's Student Council will be hosting a pet supplies drive for a local animal shelter, Animal Friends Humane Society. We ask Bethany's generous student body to donate supplies and items that will greatly help the AFHS during these cold winter months. At any given moment, the AFHS is the temporary residence of 200-300 dogs and cats waiting to be taken home! Below is more information about the drive, and a list of supplies that the AFHS has produced. For further details, please visit AFHS's website at [animalfriendshs.org](http://www.animalfriendshs.org)!**
