We were privileged to welcome to our meeting Andrea Foote, Director of Procter Camp and Conference Center, located about an hour north of Cincinnati. She discussed opportunities for summer camp for children entering grades 3 through 12, as well as family camp opportunities. For more information, please go to www.proctercenter.org/camp.

BEAP's used uniform sale will be held on March 15 (time and place to be announced). Please drop off any gently used items at the front office.

Also discussed was the Santa Sale and Celebration. We entertained the idea of changing the event from a Saturday morning to Friday after school. We welcome your thoughts on what BEAP can do to encourage more families to participate in this fun event. You can email your suggestions to BEAP@BethanySchool.org.

BEAP is sponsoring a Spring Fling to celebrate Earth Day! The tentative date and time is April 21 from 4-7 p.m. We are looking into having the event at Summit Park in Glendale. There will be food and games and lots of fun. More information will be forthcoming when the event details are finalized.

In conjunction with our Earth Day celebration, BEAP will be having a plant sale.

If you shop at Amazon, please be sure to go to smile.Amazon.com and designate "The Society of the Transfiguration Glendale" as your charity of choice. Bethany will receive 0.5% of your eligible purchases.

Last but not least, there are lots of items in the lost and found. Please check for your child's missing items.
