

Robotics Club

Bethany Middle School students **who have not been in Robotics Club before** are invited to join the After School Robotics Club! We will use Lego Mindstorm's EV3 robot building kits along with ipads to learn about robots. Students will follow a plan for robot assembling, programming and debugging. They will learn about sensors, motors and gears. They will create programs that control the robot. It is active learning that incorporates problem solving and, of course, lots of fun!

2 sessions offered: DEADLINE to submit is February 20th, 2018

Session III is open to five 4th/5th students
Dates: Beginning Wednesday, February 21st, 2018
Timeframe: Once a week from 3-4:00PM

Session IV open to five 4th/5th students
Dates: Beginning Thursday, February 22nd, 2018
Timeframe: Once a week from 3-4:00PM

Cost: \$50 per student

Location: St. Faith Room 134

Instructors: Mr. Stephen Imwalle

Details: This is a five week sequential program. Students will come directly from their homeroom at 3:00 and stay until 4:00. Parents will pick up their child outside the entrance to St. Faith after each club meeting. Children staying for latch key will be walked over by the instructor. See dates listed on the back of this sheet.

In the event that more than the quota of students submit their forms by the deadline of acceptance for a given session, participants will be randomly selected from those who have submitted both the form and fee by the due date.

Registration: Register through the school office. Payment is due upon registration. You will receive a confirmation email following completion of the process.

Questions: Contact Stephen Imwalle via email at imwalle@bethanyschool.org
