

2015 Production of Original Play "The Land Down Under"

## The Backyard Theatre Company

Starting in Summer 2011, the Backyard Theatre Company has presented original plays for each week of summer camp. The first play, *Hershey & Catie: A True Friendship*, tells the story of a little brown bunny whose unlikely best friend is a caterpillar. Through metamorphosis, Hershey discovers that even though appearances may change, true friends are always true friends.
