Class that student visited with you:

Time of class:

The goal of the shadow day is to get a good picture of how the prospective student would be in the Bethany community. This includes many aspects: academic, behavioral, and social. As such, every teacher who has interaction with the student should complete this form. All teachers should be able to complete these sections: Overall impressions, Social Interactions, and Behavior. Academic input is welcomed from any teacher, but is most important from those academic teachers. (Please feel free to offer academic feedback in Reading/Writing/Math if that was apparent in your class.)

Overall impressions of the student:

PLEASE COMPLETE THE SECOND PAGE OF THIS FORM.
