

Bethany School Mission: *The mission of Bethany School is to be a community where all members can thrive as learners, growing and developing academically, socially, physically, emotionally, and spiritually; where students experience and learn respect, responsibility, and an appreciation for diversity; and where academic excellence is provided in a Christian environment. Our mission statement is the reflection of our clear and continued commitment to these Core Values: Christian Education, Academic Excellence, Diversity, Character Education, and Family Commitment.*

PROFESSIONAL GOALS FOR 2019-2020

Using this form, share 3-4 professional goals for the 2019-2020 school year, and please be sure that one of them addresses the mission value of “*diversity*.” The visit by Jen Cort last year was just the beginning of Bethany’s journey into the realm of Justice, Equity, Diversity, and Inclusion (JEDI). Let’s continue to hone our skills becoming true *JEDI warriors* in the best sense of that phrase! May the Force be with you!
